

PAGES ECN Newsletter - July 2021

Dear colleagues,

Welcome to the PAGES Early-Career Network Newsletter! Please see below for the latest news and announcements.

In this newsletter we try to highlight news /especially/ relevant to ECRs. If you find other announcements that should be shared with the ECN, please feel free to send it directly to the mailing list (pages.ecn.pages@lists.unibe.ch) and/or to the Steering Committee (pages.ecn@gmail.com) for inclusion in the monthly newsletter. Thanks!

Best wishes,
The PAGES ECN Steering Committee

1. International fellowship for Latin American and Caribbean ECRs apply by 30 Sep
PAGES Past Global Changes and the Inter-American Institute for Global Change Research announce the 2021 International Mobility Research Fellowship Program for Latin American and Caribbean early-career scientists on past global changes. The program aims to contribute to the development of collaborative research and the promotion of paleoscience networks in Latin America and the Caribbean. The fellowship supports Latin American and Caribbean early-career scientists pursuing international research experience in paleoscience and is intended to support costs associated with international travel and living expenses while abroad. More info here:

2. Contribute to the next PAGES Horizons Magazine
PAGES has announced the call for contributions to the Past Global Changes Horizons second issue. Although all contributions will be considered, the central theme for the issue is *how studying past warm intervals provides valuable and unique clues to understand current and future global changes*. Deadline for contributions is 15 September. The magazine will be published in June 2022: <http://pastglobalchanges.org/news/all-news-items/9-latest-news/2796>

3. ECN webinar announcements

If you have any ideas for a webinar and want to organize it for PAGES ECN, please reach out to the webinar cluster: webinar.pages.ecn@gmail.com. Please also refer to the PAGES calendar for a more complete listing of PAGES webinars and other webinars of interest: <http://pastglobalchanges.org/calendar/upcoming>

3a. International Paleofire Network webinar event 24 June

The International Paleofire Network (IPN) is hosting a monthly online seminar series seeking to generate knowledge exchange and promote discussion in paleofire communities across the world and is intended to benefit ECRs seeking to learn in an open and inclusive environment. <https://ipn.paleofire.org/?p=1080>. The next event will be held on Thursday **15 July** at 19:00 UTC, with Emma Rehn, from James Cook University, Australia, presenting "A multi-proxy approach to palaeofire in Australian tropical savannas". Registration is necessary: <http://pastglobalchanges.org/calendar/2021/127-pages/2170>

4. Call for input on "10 rules to reach audience outside the paleo-scope"

Two of our ECN members are leading a collaborative project to present practical ways how paleoecology and ecology, geosciences and other fields can inform each other's approach. Dr. Xavier Benito and Dr. Nick Schafstall, are searching for the ten (or more!) most relevant tips on how to get your paleo-research published in journals outside the power of the prefix "paleo". To participate, please send contributions and interest to nick.schafstall@gmail.com using the subject line: "Ten simple rules" by **6 September**.
